

The 1958 Milestone

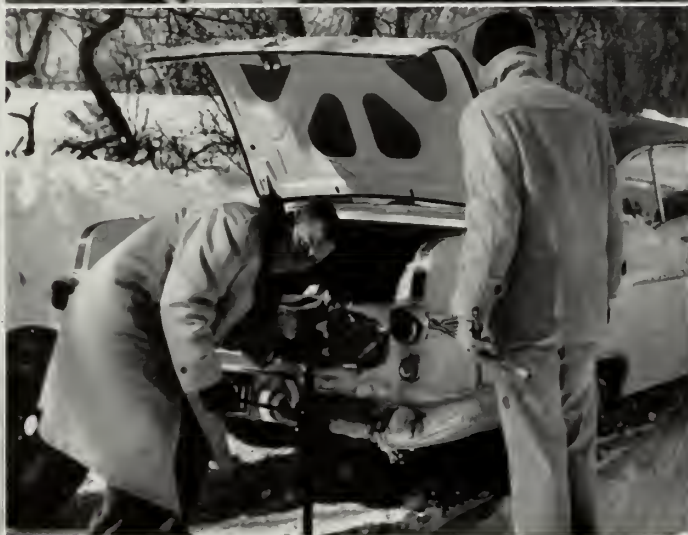

THE MILESTONE

DEDICATION

For their devotion and kindness to

the students of Governor Dummer;

For their good humor, understanding,

and patience over these many years;

And for constantly being our good friends,

We, the Senior Class, gratefully dedicate

THE 1958 MILESTONE

to

MR. AND MRS. HAROLD R. LIVINGSTON

The Governor Dummer Chapter of the *Cum Laude* Society received its charter on February 10, 1934. The purpose of the society is to promote scholarship and to recognize scholastic achievement. In the secondary schools its function is, therefore, comparable to that of the Phi Beta Kappa Society in colleges.

The by-laws of the society state that to be eligible for election a student must maintain a minimum standing of eighty percent during his senior year and must stand in the upper fifth of his class. A three-fourths vote of the faculty members is necessary for election; and the members are pledged to consider each candidate's record during the earlier years of his secondary school work, his diligence, particular abilities and deficiencies, and the nature and the number of courses upon which his average is based.

Mr. Philip H. Coombs, Director and Secretary of Research for The Fund for Advancement of Education, was the speaker at the annual initiation banquet held on May 9.

UNDERCLAS MEN

The Underclassmen

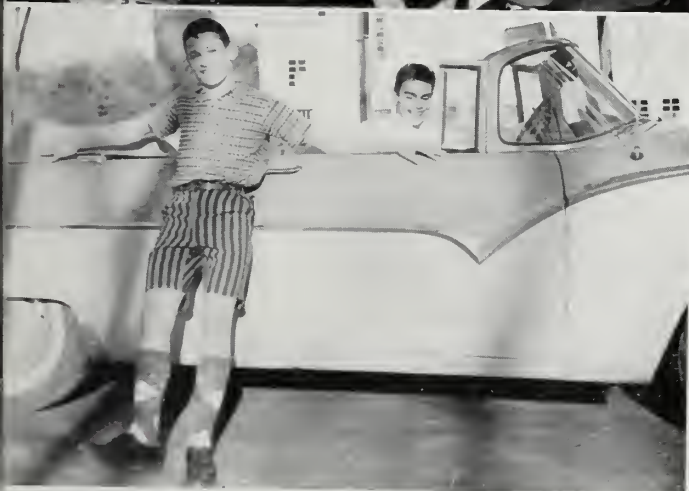

By HOWIE MEDWED and JEFF WILSON

"Previews of Coming Attractions at G. D. A." could well be the title of this section, for it is concerned with the boys who will lead the school in the next three years. Although underclassmen are consistently overshadowed by members of the Senior Class, it readily can be seen from their accomplishments that they give promise of a bright future in school life. As their actions and achievements during the course of the past year are examined, their growth towards this ultimate objective can be seen more fully.

The Junior Class had a very successful year in every facet of school life. Scholastically this success was typified by the frequent Honor Roll appearances of juniors such as John Catlett, Jon Wise, Ted Bliss, Dick Hendrix, and Steve Volpone. Initiative was shown by members of the Junior Class when they established the Debating Club and the highly controversial sin-dicated paper, *The Weirer*. The Junior Class, however,

displayed on the athletic fields that it had, not only "brains," but also "brawn" and co-ordination. Basketball, having five juniors on the varsity squad, is a prime example of a sport in which the third year men proved to be of valuable assistance in the field of sports. In addition to basketball, juniors proved themselves to be great assets in sports ranging from track, to wrestling, to football. The interests of the Junior Class, however, were more varied than only studies and sports; in fact, they were as varied as the number of organizations at Governor Dummer. Such leaders as Pete Bostwick and Ralph Coffman, presidents of the Rifle and Camera Clubs, predict the continued success of these organizations in the coming school year. Another branch of activities which was deeply penetrated by the Junior Class was the school publications, and numerous juniors found themselves doing legwork for *The Milestone*, *The Archon*, and *The Review*, thus equipping themselves for the responsibilities of administration and editorial planning of these publications for

the next year. Another popular activity was the Glee Club in which Tad Akin and Charlie Eddy were outstanding.

The freshmen and sophomores, as a rule, do not get too much recognition, but, nevertheless, many of them have done well in various school activities. Academically they have led the school by placing many students on the Honor Roll, and such persons as Jim Deveney, Rick Benner, Boyd Norcross, and Ted Dietz will certainly bring much credit to Governor Dummer while they are here and in college. Members of the two younger classes do not have great opportunity to work for the school publications, but those who did showed willingness at the essential but less glamorous tasks; it is certain that Governor Dummer publications will continue in capable hands in the future. In athletics, members of the freshman and sophomore classes are learning the fundamentals of the various school sports and building the foundations for strong Governor Dummer teams. Some, such as Eddie Johnsen, Fred Lyman, and Pete Bucking-

ham have already proven to be of great value to the school in crucial games, but many lack only experience and physical maturity to be stars. In addition, lowerclassmen have shown their willingness to learn to be future leaders for the Big Red by supporting the various activities of school life.

What has the year been like for the underclassmen? It has been rich and rewarding for most boys. For some it was the first time they had lived away from home, but the making of new friends became easy as the school settled down to its normal routine. For others, the year started with stories of vacation experiences, but it ended as a good school year — one in which knowledge was gained, experience was widened, and greater maturity was developed. The freshmen pushed cookies, sophomores plied Caesar, and the juniors paved changes; underneath there was an indomitable spirit proving that school life at Governor Dummer is always changing, never static. So it will remain as long as the proper leadership is provided each successive year by a new senior class.

Underclassmen

Mark F. Acerra, 19 Hawthorne Street, Rutherford, N. J.
Robert H. Adams, 24 Rolfe's Lane, Newbury, Mass.
William R. Ainsworth, 35 Shipman Road, Andover, Mass.

Thomas R. Akin, III, 720 Euclid Place, Alton, Illinois.
Donald G. Alexander, 16 Pleasant Street, Nahant, Mass.
David Allen, Baxter Road, Williamstown, Mass.
Dana W. Atchley, III, Concord Road, Lincoln, Mass.

Jonathan K. Bailey, 406 Main Street, Amesbury, Mass.
James M. Barney, Sunrise Lane, Avon, Connecticut.
Richard S. Benner, II, 23 Shorewood Road, Marblehead, Mass.

Courtney F. Bird, Jr., 276 Highland Street, West Newton, Mass.

Frederick E. Bissell, III, 325 Alpine Street, Dubuque, Iowa.

Edward S. Bliss, Jr., 422 June Street, Fall River, Mass.
Burdette E. Bostwick, Jr., 351 North Ridgewood Road, South Orange, N. J.

C. Millar Brace, 831 Oakwood Street, Fayetteville, N. Y.
William L. Brian, III, Green Gates, Congress Street, Duxbury, Mass.

John T. Brickson, 303 Ridgewood Road, Duluth 4, Minnesota.

H. Paul Buckingham, III, 10 Old Colony Road, Worcester 9, Mass.

John J. Canepa, Jr., 42 Lincoln Road, Scarsdale, N. Y.
Walter B. Cannon, Weston Road, Lincoln, Mass.
Charles T. Canterbury, 409 Main Street, Hingham, Mass.
William W. Capel, 809 West Park Street, Champaign, Illinois.

Scott H. Cappel, 5960 Mad River Road, Dayton 9, Ohio.
John M. Carroll, 104 High Road, Newbury, Mass.
David S. Cate, 275 Locust Road, Winnetka, Illinois.
John N. Catlett, 476 Chevy Chase Road, Mansfield, Ohio.
Thomas E. Cervasio, Jr., 415 King Street, Port Chester, N. Y.

David K. Chilton, 15 Edmunds Road, Wellesley Hills 82, Mass.

Lawrence W. Churchill, III, 413 Schoolhouse Lane, Strafford, Wayne, Pennsylvania.

Ralph J. Coffman, Jr., 203 Main Street, Winthrop, Mass.

A. Bradford Conant, III, 51 Middlesex Road, Chestnut Hill, Mass.

David L. Connor, 31 Prospect Street, Winchester, Mass.
John L. Czelusniak, 143 Maple Street, Holyoke, Mass.

Calvin W. Dail, Jr., 23 Cross Road, Darien, Connecticut.
Woodbury K. Dana, III, 87 Carroll Street, Portland, Maine.

Geoffrey G. Dellenbaugh, 85 Elm Street, Gardner, Mass.
James C. Deveney, Jr., 35 Atlantic Avenue, Swampscott, Mass.

Hugh H. Dietz, 111 Burlingame Road, Syracuse 3, N. Y.
Robert E. Dietz, IV, Rio Grande Boulevard, Route 2, Box 740, Albuquerque, New Mexico.

Stephens M. Dietz, 624 Shore Acres Drive, Mamaroneck, N. Y.

Theodore E. Dietz, Rio Grande Boulevard, Route 2, Box 740, Albuquerque, New Mexico.

D. Cameron Dobbins, 110 North Prospect Avenue, Champaign, Illinois.

William J. Donnelly, 2 Maher Court, Greenwich, Connecticut.

Ronald R. Dow, Waldingfield Road, Ipswich, Mass.

The Soccer Season

By PETER C. FITTS

This year's varsity soccer team was called the "Miracle Team" by many. One would understand this if he had seen the group developed into a smooth-working organization from an aggregation of scraggling, gawky, unaggressive players who assembled for the first day's practice on September 24, 1957. The group was made up of only one letter man and five returning varsity players from last year. The rest of the squad either played on the Junior Varsity or had played previously at some other school.

Although the team was not yet ready,

the Redmen went out on Whipple Field to play Andover. The team surprised the coaches and Andover by knocking in a first half goal, and at the end of the half the score stood 1-0 for the Governors. The game looked like a possible upset until late in the third period when Andover tied it, up. In the fourth period Andover clinched the victory with another score.

After two more days of hard practice, a spirited Governors' team met a strong Noble and Greenough team, and, backed by its newly elected captain, Jack Williams, the team played Nobles to an impressive

0-0 tie in two overtimes. It was before this game that Mr. Navins sparked the team with the motto which stayed with them during the season — "Play better than you know how." The following Wednesday the team traveled to Browne and Nichols. On a small and slippery field the Governors suddenly came to life. Early in the game left wing Dave Hardenbergh punched in an angle shot followed by another first period goal by Pete Buckingham. Another goal in the second period, again by Buckingham, finished out the scoring, and the team took home a 3-0 victory. Had it not been for the excellent defensive goal tending by Bill Whiting, the victory might not have come, for Browne and Nichols was constantly thwarted by the fine saves made by Bill.

On Friday night, October 11, the first soccer rally in the history of Governor Dummer was held. Apparently the rally helped the team tremendously, for the next afternoon the Redmen played host to Brooks School with the entire student body supporting the team. As usual, the team started slowly and Brooks had scored before the Big Red began to move. Seconds before the end of the first period, left inside John Read tied up the game, and the fans went wild. In the second period the Governors started to look like a high-class team. Before the half had ended, Captain Jack Williams had finished off the scoring. The game ended with a 2-1 victory for the Governors.

On Wednesday, October 16, the Governors played to a 2-2 tie against Belmont High School. This team was reputed to be one of the best to be encountered; and when Jack Williams and Scott Cappel scored to gain a tie the coaches were very pleased. On Parents' Day, October 19, the full force of Asian flu had struck Massachusetts; so a last minute game had to be arranged to make up for the Milton cancellation. On this rainy day the team played an exhibition game with Belmont

Hill on rain soaked Whipple Field. After two scoreless overtimes, a third overtime was played, and Belmont Hill scored for the win. Another non-league game followed this in which the Governors scored an upset against St. Paul's on a brilliant third period "head" by Scott Cappel set up by a center from Nick Day.

The team finally felt that they had started to roll when they were met by a stone wall in the form of Tabor Academy. On a bitter, cold October 26, Tabor, on their way to the league championship, soundly trounced the Red. When the final horn had sounded the team found itself down 5-1. Nick Day scored the only goal, and Tom Grose played excellent defensive ball by tying up the main Tabor threat.

After this game the flu finally hit Governor Dummer, and at some practices there were no more than ten to thirteen boys in playing condition. With five starters out, the team met Milton in a make-up game and lost, 1-0. In this game Fred Huntress substituted for the regular goalie and played a superb game. In the last game of the season, the Governors traveled to Belmont Hill to try to avenge the defeat suffered in the Parents' Day exhibition game. After a miserable first half, the team received a scolding, caustic oration from Coach Buster Navins. This talk pulled the boys out of their reveries, and the team completely dominated the second half play. "Ginger" Ardiffe played excellent offensive ball, and Nick Day was a constant threat. The game ended, however, in a 0-0 tie. Thus the season ended with a record of three wins, three losses, and three ties. The team that had to play "better than it knew how" had truly proven itself to be a "Miracle Team."

The Football Season

Despite the squad being composed of only thirty-one players, Mr. William Sperry, the head coach, was looking forward to a very successful season. Nuffy Withington, Jim Sylvester, and Eddie Johnsen, three members of last year's starting backfield, were returning with Randy Light, the second string quarter-back last year, to form an extremely capable and well-balanced backfield. In the line there were five returning starters: Dick Sawyer at left end, Bill Hunt at right tackle, Wayne Hockmeyer at left guard, Kevin Leary at left tackle and this year's captain, Russ Tornrose, at center. With this nucleus to

work, the Governors prepared for their first game against St. Sebastian's at the Byfield Bowl on October 5.

On the opening kickoff, Nuffy Withington raced from his own 35-yard line all the way for the Governors' first score. In the second quarter, Eddie Johnsen ran 50 yards off tackle for what proved to be the final score of the game. Throughout the game, the Red defense was superb as they held St. Sebastian's scoreless. The game ended G.D.A. 13, St. Sebastian's 0.

After this successful opening, the opponent which would prove most destructive to Governor Dummer this season took

its first toll. The Asian Flu forced a cancellation of the Moses Brown game scheduled for October 12. The Governors' next game was to have been played with Milton on Parents' Day, October 19. The Flu struck again, however, and the game had to be cancelled. In a substitute game at Belmont Hill, the Governors faced an extremely competent opponent. It had rained all day and the field was muddy and very slippery. During the second period, Nuffy Withington broke away for a 55-yard scoring play and at half time the Governors trailed by only one point, 7-6. In the second half, however, Belmont's experience proved decisive and they scored twice. Despite the tremendous effort on the parts of Jim Sylvester and Russ Tornrose, the Red team was vanquished 19-6.

The team quickly recovered as they practiced hard in preparation for the game with Groton on Saturday, October 26. This game, along with the next game with St. Mark's, also had to be cancelled because of the deadly Flu. As a result, the Governors travelled again to Belmont without having played a game since Parents' Day.

On November 9, Belmont again proved themselves superior to G.D.A., however, this time by a much more decisive score. Randy Light played an outstanding game as he passed for two touchdowns and set up another with his throwing. Mike Dunsford and Russ Tornrose played excellently on defense in attempting to thwart the powerful Belmont attack. Despite two other touchdowns scored by Lonnie Churchill and Whit Kimball, the Governors were overpowered 53 to 27.

In a make-up game with Moses Brown on Saturday, November 16, the Red team finally showed their true potential. The

whole team wanted to win this game for the seniors. Inspired by the desire of Captain Russ Tornrose, the Governors took the field at Moses Brown determined to even their season's record. With a tremendous team effort spearheaded by Eddie Johnsen and Nuffy Withington who scored five touchdowns between them, G.P.A. soundly defeated Moses Brown, 32-19. On defense, Bill Hunt, Mike MacLean, and Steve Houghton were outstanding in the line. Joe Montgomery and Tad Akin backed up the line masterfully and Mike Dunsford and Scott McLeod were superb as the deep backs. As a result of this fine win, the team ended the season with a record of two wins and two defeats.

Throughout the season, the Governors had displayed a remarkable spirit for a team which had been disappointed so many times by cancelled games. Mr. Sperry and his two assistants, Mr. Evans and Mr. Anderson did a remarkable job in developing the talent of all the members of the squad, thus increasing the ability and depth of the whole team. By the end of the season all the players had seen considerable action. The culmination of the season, defeating Moses Brown, was a justification of the enthusiasm which the coaches had had at the beginning of the season.

At the fall athletic banquet, it was announced that Randy Light had been elected captain of next year's football team. Highlighting the evening was the presentation of the most valuable player award. The award was presented to Russ Tornrose, who throughout the season had continually inspired the team by never giving up or lessening his effort.

The Basketball Season

By PETE SHERIN

Five lettermen and the majority of the previous year's squad returned in 1958, and the prospect of a successful season was very encouraging. With high hopes of victory the team opened its season opposing the M.I.T. Freshmen at Cambridge. The Governors lost the first game for a rather disappointing beginning. Fred Sayles scored 24 points to lead the team and did a very commendable rebounding job.

In the initial home game of the season the Red Club easily took its first win of the year by overpowering the St. Sebastian five. Sayles and Randy Light both hit double figures with 16 and 12 points respectively.

On January 15 the Governors traveled to Lawrence Academy to face a poised and well-balanced team. Hampered again by a poor first half, the team found themselves at a 29-13 deficit going into the third quarter. The Governors' fine full court press was not enough to turn the tables completely, and the game ended in

a victory for Lawrence with only three points to spare.

Meeting the Tech Tourney bound Rockport High team, the Red Club obtained its second win of the season. For Rockport High this was only the second defeat in two years. Both losses were suffered at the hands of the Governors.

With renewed confidence and high spirits the Governors made the long trip to St. Paul's School. However, facing a fine zone press that was ideal for the long, narrow court, the team was forced to play St. Paul's "brand" of the game. In addition to the other problems of the afternoon, Fred Sayles suffered a badly sprained ankle in the first minute of the game and was taken out of the contest. Consequently, the Governors were greatly outrebounded and lacked the extra scoring punch needed.

Fred Sayles was unable to play in the next four games, in the first of which the Governors met Moses Brown at Providence. Although Randy Light scored 22 points and did a fine job filling in for

Fred Sayles, the team just didn't have enough to take the Moses Brown quintet.

At the Browne and Nichols game the team's luck continued to be bad. Randy Light once again led the team with 14 points and Bill Tuxbury added 11, but it wasn't quite enough to make up the deficit — just one point.

Returning home, the Governors' starting five exploded and played excellent ball to overcome the visiting team from Milton easily.

The last four games of the season were definitely the hardest. The Belmont High School team had a very well-balanced club with considerable depth, and had little difficulty in defeating the home team. The next game at Hebron was a better match, but again the Governors faced a good all-around team. Even with 33 points scored by the returning Fred Sayles, the team could not quite keep up with the Hebronites.

The Red Team suffered its last defeat of the season against Huntington. Leading

at the half 35-26, the Governors once again faced a devastating all-court press and lost by four points.

To end the thirteen game season, the Red Club faced Tabor Academy. In the early moments of the game, the Governors were six points behind. Suddenly, the team "caught fire." Outrebounding and outshooting Tabor, the Governors brought home the first basketball victory over Tabor in fourteen years. Captain Fred Sayles climaxed his fine basketball career at Governor Dummer by scoring 25 points.

Although the season's record was a rather unimpressive 4-9, it was not indicative of the team's potential strength and drive. The club worked hard for Mr. Williams, and the last game with Tabor exemplified the amount accomplished. Too often a team's record is thought of as the only determinant of a successful season, but it is strong spirit that truly is the mark of a good team. The 1958 Basketball Team had spirit — the spirit that really counts!

The Hockey Season

By BILL BRIAN

The 1958 Hockey Team was a team of which the entire school should be very proud. For the first time in several years the Red and White skaters came close to a five hundred season. However, there was something more important than a win and loss record: this was hustle. From the first game with St. Mark's until the last with Middlesex, the Governors skated as hard as they could for three periods, no matter what the score was or how tired they were. This hustle was best exemplified in the first of two games with St. Sebastian's Country Day School. In the first period of that game, St. Sebastian's scored the first goal, but that did not discourage the Governors, for soon after the start of the second period, the Red and White returned the puck to the St. Sebastian's net to tie the score. Each team scored another goal to tie the score again at two to two, but in the final minutes of the third period, the Governors ripped the net for the third time and the win.

The Winchester High School game was another contest during which the team displayed outstanding hustle. Going into

the final period of play the teams were in a 2-2 deadlock. Winchester shortly scored to take the lead. With only a few minutes of play remaining, Jim Sylvester tied up the game. At the fifteen second mark of the overtime period, Nuff Withington scored the clincher. Good defensive play for the remainder of the period protected the Governors' fifth win of the season.

The superior hustle was shown not only in the winning games, but also in each of the team's losses. Against the league champions, Belmont Hill, the team skated hard during the first period. However, the Hillies scored one while blanking the Governors. In spite of continued hustle during the second period, the Red Men were unable to contain Belmont which scored three times. The team kept hustling throughout the final period, but lack of skating during the winter showed; and Belmont Hill went on to win 7-0.

The team spirit was never lacking thanks to the efforts and hard work of Captain Jim Sylvester. He was always on the ice to play his very best, even if his team

had little chance of winning. Jim was the spark plug of the team and he was certainly a captain that the members of his team will long remember and respect.

For the most part the 1958 squad consisted of returning letter men or boys that had been on the squad previously. The first line consisted of Jim Sylvester at center, and Nuff Withington and Charlie Langmaid at the wings. The second line was centered by Tom Colt, with Jim Devaney and Pete Vermilya at the wings. There was also a third line of John Slater, Tim Hill, and Chris Prewitt. Alternating at defense were Wayne Hockmeyer, Mike

Dunsford, and Bill Kittredge. In the nets there was Harv "Gumpa" Hayden who did an outstanding job for the team and, strange as it may seem, Harv spent the entire season without an injury or a single stitch — a new record for him.

Captain Jim Sylvester was chosen by the coaches to receive the trophy for the Most Valuable Player on the 1958 Hockey Team at the meeting for Winter Term athletic awards.

The entire hockey squad is very grateful to Mr. Murphy and Mr. Dann for the training and support that they gave each boy on the team.

The Winter Track Season

By HOWARD MEDWED

Although the winter track team made what might appear to be a poor record, they did have a successful season. Since its conception, the purpose of winter track has been to condition boys for spring track, and therefore the success of a winter track team is shown by considerations other than the win and loss record. The elements which in the final analysis tell that winter track was successful are the discovery of new track potential, the improvement made by the team, the spirit of the team, and the victories of the spring track team.

Perhaps the most outstanding discovery of the team was Nick Day, who proved himself to be one of the best milers in New England Preparatory School track circles. In so doing he set a new school indoor mile record of 4 minutes, 45 seconds. In the high jump Dan Hobbing put on an impressive performance at Roxbury Latin when he jumped 5'6". It appears that he will be able to fill the high jump gap which will be left vacant by graduation. Discoveries, less spectacular but potentially as important, were made in many other events which insure that the Big Red

will continue to be a track power as they have been in the past.

Winter track is a sport which calls for a person who punishes himself to the utmost, and those on the 1958 team did just that. Without the spirit which makes individuals punish themselves for the sake of the team, no track team can become accomplished; and under the leadership of Captain Nick Day the necessary spirit was maintained. Nick Day set a fine example of team spirit when, in meeting the Exeter J.V. Team and Portsmouth High School, he volunteered to run the 1000 fifteen minutes after having run the mile. The willingness to work shown by the squad could be seen daily on the road to the bridge, in all kinds of weather. The spirit of the season made it stand apart from any other, and when the members of the squad reminisce, they will remember it as an extremely pleasant one. This element of spirit was not only a result, but also a cause.

The individual members of the team, for instance, could have improved little unless they had the team to work for; and the fact that they did improve shows the success of the season. "Topper" Terhune

improved in the three hundred yard run from 37.1 seconds at the beginning of the season to 34.9 seconds at the end. Bill Turner and Ward Miles were others who made tremendous improvement, but improvement from the first of the season to the last was the general rule for the whole squad.

The improvement of the squad shows up most dramatically as the season is reviewed. The first meet, on January 25, was with powerful Exeter and Tabor teams. Their depth forced G.D.A. out of most of the scoring, but every person on the squad gave it everything he had. Nick Day winning the mile and Bill Turner placing in the 600 gave the Governors their seven points which brought them a third place.

Still further improvement was made in speed at the B.A.A. Games where the Governors missed qualifying for the finals of the New England Preparatory School mile relay with a 3:49 timing. Bill Turner and "Topper" Terhune ran well in the event.

When Governor Dummer met the Andover J.V. Team and Lawrence Academy, the improvements began to show in the scoring, but Big Red was third with twenty-two points. G.D.A. had three winners in Day, Turner, and Miles, and Terhune placed in the 40 and 300. As far as the score showed, the meet on February 12 against the Exeter J.V.'s and Portsmouth was the same, but in this meet Nick Day set a school record and ran the 1000 a little later. G.D.A. was third in this meet with 20½ points.

At the New England Preparatory School meet the Big Red placed fourth of seven schools. Nick Day was second in the mile breaking his own record. The relay team and Dave Hardenbergh were the other point winners, while Bill Turner's strong 600 narrowly missed placing.

The efforts of the team finally paid off at Roxbury Latin with a decisive victory, and there were very good showings by squad members who had not had much recognition before.

The Wrestling Season

By PETE BOSTWICK

When last year's graduation saw the exodus of eight varsity wrestlers from the 1957 undefeated team, a great many people looked toward this year's season with trepidation. The critics were still skeptical after a loss to Noble and Greenough in the first meet.

The grapplers came back strong in the next meet, however, and walloped Browne and Nichols 59-17. In the third match, with Captain Kevin Leary stepped onto the mat, the Red Men were trailing 39-25. Kevin pinned his man in the second period to leave only a six point lead to Belmont Hill. Next, anchor man Russ Tornrose turned in a professional pin in the first period to give the Governors a two points victory.

The team went down before St. Mark's by one point in the following meet and also succumbed to a powerful Roxbury Latin squad. They came back strong in the next match and defeated Brooks 58-12, with half the team turning in pins.

The highlight of the wrestling team's dual meet season came with the advent of the team's bitterest rivals, the blue and orange Milton grapplers. The Governors started out inauspiciously with some good

wrestling but with losses in the first four weight classes. Bill Capel pulled out the first win by defeating Taylor in the 138 lb. class 5-2. Lonnie Churchill followed and beat Crocker 8-5. Captain Leary took the mat to oppose Woodward, who turned out to be a strong defensive wrestler. Kevin defeated him 4-2. Pete Bostwick wrestled next against Whitman, and lost 8-5. At this point the meet score was 30-38, with the Red Team trailing. Fred Lyman wrestled next against Cortesi, the Milton bare-footed 177 pounder. Fred won a 3-1 decision to make the score 33-39, but still in favor of Milton. Russ Tornrose was the last wrestler for the Governors. The only way now that GDA could win was for Russ to pin his man without letting him score more than one point. Russ took his man down with a hold a little short of a body slam and pinned him in 1:25 of the first period. The Governors had beaten Milton, 41-39 for the third time in the history of wrestling at Governor Dummer.

The last meet of the season was against Tabor. The outstanding point of this match was Captain Leary's sacrifice. Kevin wrestled, as he did during much of the

year, out of his weight class. He gave up twenty pounds to Cuniff of Tabor, who was unbeaten, and lost 2-1 for the first time in two years. Had anyone else wrestled Cuniff, it would have cost the Red Men the meet. This sacrifice typified Kevin's attitude throughout the season.

The wrestling season came to an end with the Interscholastics, in which G.D.A. was well represented. Bill Capel wrestled in the 138 lb. class, Lonny Churchill was entered in the 147 lb. class, Captain Kevin wrestled in the 157 lb. class, and Fred Lyman in the 167 lb. class.

Although Capel, Churchill and Lyman wrestled extremely well, their opponents outranked them in experience and they were put out in the first round.

The man to watch in the Interscholastics, however, was Kevin Leary. Kevin has wrestled in the New England Interscholastics for four years. The first year, he lost his first round match; the second year he won his first and lost his second bout. Last

year Kevin placed third in his class, and this year Kevin attained the ultimate goal. In the first round he defeated Ericson of Kingswood 4-0; in the second round he beat Eastman of Needham High 2-1. After this victory, Kevin found that he was pitted against Van Fossen of Exeter in the finals. On the evening of March 1, Kevin took to the mat against Van Fossen; and after three tense periods, became the champion of the 157 lb. class.

The one man most responsible for the spirit and success of the team was its irreplaceable coach. This year Mr. Evans was endowed not only with the monumental task of building a team practically from scratch, but with the added job of being a full-time coach to the junior varsity team as well. Coach Evans turned in a superb job, as he always has. It is hard to express the feeling of the team toward Mr. Evans, so all they can say now is: "Thanks a lot!"

The Lacrosse Season

By NEWT LAMSON

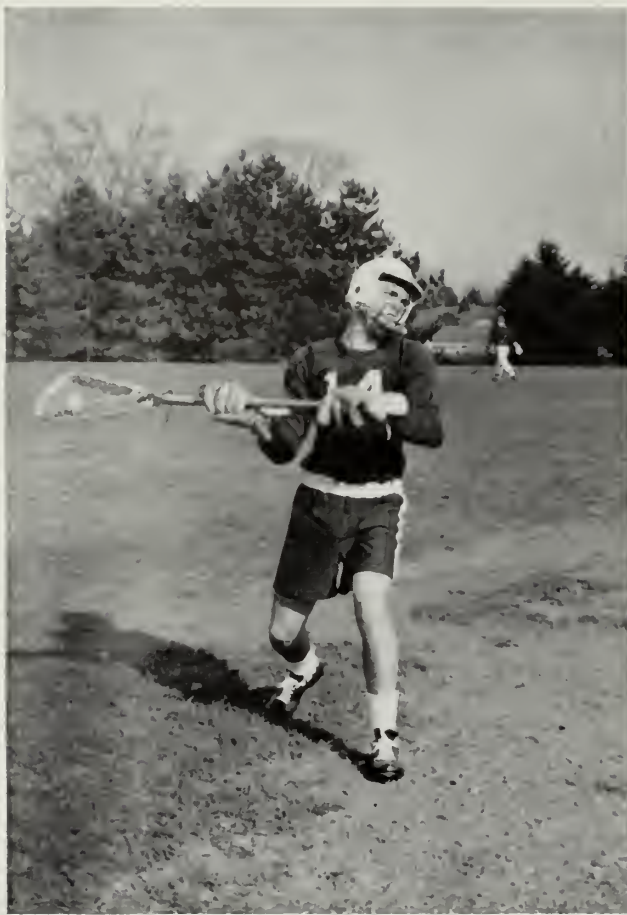

The outlook for this year's varsity lacrosse team is very promising. Coach Evans has seven returning lettermen and five other returning squad members. Since all three of last year's starting midfielders graduated in June, Mr. Evans' biggest problem is with his midfield. Fortunately, good weather prevailed during the opening weeks of practice, and coaches Evans, Anderson, and Murphy rounded the squad into shape for its first game with M.I.T. Freshmen.

On April nineteenth the Governors played a fairly weak M.I.T. team and defeated them 11-1. Jack Williams starred on the attack getting five of the Governors eleven goals, and Neil Quinn was superb in the nets. Unfortunately Demi Read, the captain of the team and the mainstay of the attack, was sick and could not play in the opener. Frank McGuire and Ray Ferris started in the other two attack positions. The midfield consisted of Lonnie Churchill, Ginger Ardifi, and Billy

Allen, and on defense were Kevin Leary, Wayne Hockmeyer, and Newt Lamson.

Next the Governors played what was probably their toughest game of the year, the Andover Academy game. A strong Andover team defeated them by a score of 8-3, but it was a game from which the team learned many lessons. Goals were scored by Rick Friend, Tad Akin, and Captain Demi Read.

This year's lacrosse team is bound to have a winning season for many reasons. First, the returning starters from last year display a great deal of lacrosse skill and experience. Second, the combined coaching abilities of coaches Evans, Anderson, and Murphy are constantly strengthening the team in every department. Third and most important, there is a team spirit that can be felt at every game and every practice session which is possessed by every member of the squad, whether on the field or on the sidelines.

The Baseball Season

By RANDY LIGHT

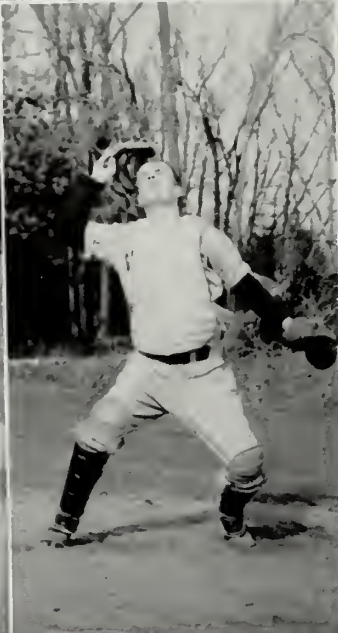

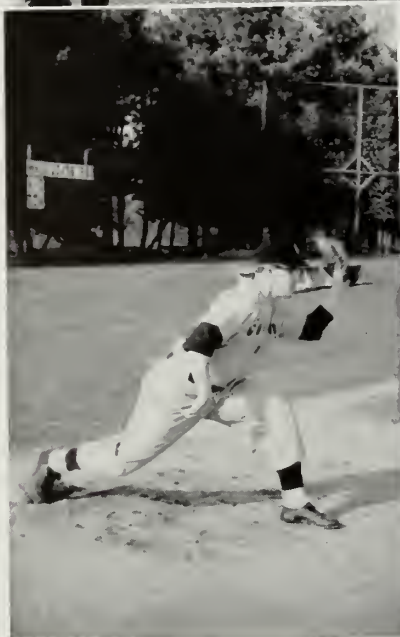

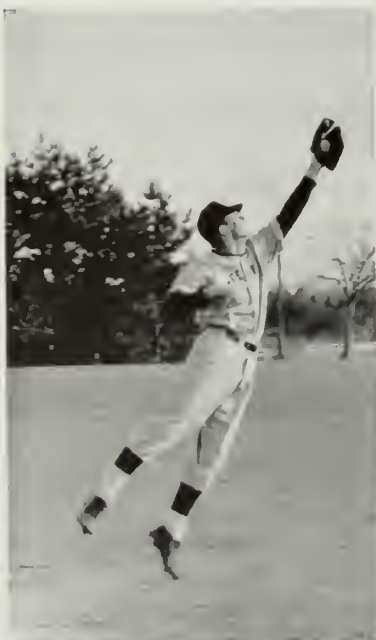

On April sixteenth Governor Dummer officially opened its 1958 baseball season playing at Groton Academy. The game was a pitchers' duel until the bottom half of the last inning when the Groton team pushed across the tying and winning runs with two out for a three to two victory. The game was a heart-breaker for the squad, but it revealed to the coaches that Rick Benner, with his sensational fielding, well deserved his starting position at shortstop.

The following Saturday the Governors played Roxbury Latin on Morse Field. Again the Governors wound up on the short end of the score, six to two.

In the third game of the season, the Red Team won a 6-1 victory over Browne

and Nichols by scoring five runs in the tenth inning of play. Although it was a team victory, special mention must be made of two boys. Eddie Johnsen pitched a two-hit game and struck out 18 men, while Rick Benner doubled in the winning run.

At times the squad has shown great potentiality, displaying either fine hurling, good stickwork, or excellent fielding, but seldom a combination of all three. If the team can only put these three fundamentals together, it will certainly deserve the distinction of being the first Governor Dummer baseball team to play in the "Private School League."

The Spring Track Team

By HOWARD MEDWED

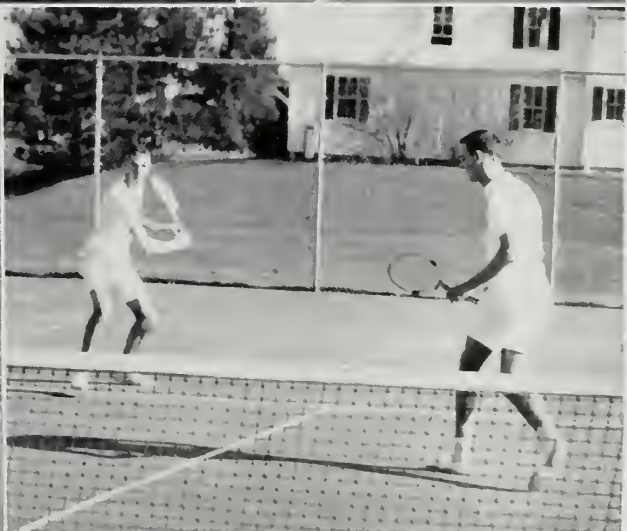

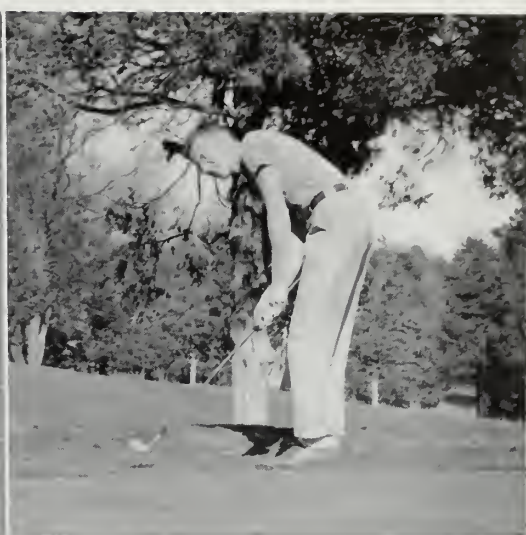

When the G.D.A. trackmen returned from spring vacation they found that the elements had combined against them: pits were unfrozen but the track was muddy. Nevertheless, after having used the road all winter, the team was resigned to continue, and soon the squad began to get into condition. Since many strong points and much-needed depth were lost as a result of last year's graduation, a major rebuilding job was required.

With this lack of depth the Big Red went to the Exeter Relays, which is largely decided on depth, and came in third behind exceptionally strong Exeter and Huntington teams. While the Governors won no relays, individual performances were good enough to gain many seconds and thirds. Russ Tornrose anchored the shotput and discus relays with heaves of 51' 3½" and 118' 1", and he was helped out by Fred Sayles, whose throws were good also. Kent Dumont showed signs of filling the gap in the hurdles when he

ran a new school record of 13.5 in the low hurdles and a near record time of 9.2 in the highs. "Topper" Terhune ran a good 10.6 in his first attempt at the hundred. Nick Day turned his usual good performance in the mile, and Bill Turner ran the fastest G.D.A. 220 of the afternoon.

Since the team did not enter some of the events, a picture may be gained by seeing where the other strength lies. Fred Sayles is a likely candidate to maintain the Governors' supremacy in the javelin, and Dave Hardenbergh will give our opponents trouble in the 880. Strong contestants in the high jump are Dan Hobbing and Fred Sayles, and here there is a great potential depth which could be developed this season. In spite of losses through graduation, this team should be almost as strong as that of last year. The team will make every attempt to preserve and lengthen the undefeated streak of the past two seasons, even though there are some very difficult meets in the offing.

The Golf Season

By BILL HUNT

March went out like a lion this year delaying the golf squad from heading for the links for two weeks after returning from spring vacation. Having lost a great deal of its strength, the squad had to put in a lot more work to ready itself for its opening match with the Harvard Freshmen. Members of the squad were Captain Bill Hunt, who had held the number two spot on last year's team, John Schabacker, playing his third year on the squad, sophomore Dave Chilton, Al Tucker, Phil Poe, Lou Platt, and Paul Clark.

In late April the inexperienced Gov-

ernors' team was defeated by a well balanced Harvard Freshman team. The boys gained a great deal of tournament experience in this match, and this fact was evident when they played Andover and Exeter. They led both Andover and Exeter at the end of the first of their series of three matches. With Andover and Exeter appearing twice more on their schedule, the Governors are optimistic about defeating them in the return matches. Matches with St. Sebastian's, Boston Latin School, and Lawrence Academy will round out the season.

The Tennis Season

By PETER FITTS

Hopes for a good tennis season this year looked exceedingly grim. Aside from two returning lettermen the varsity ten was composed of new and inexperienced players. The team was radical and lacked the basic fundamentals to an alarming degree. During the second week of practice, however, the team started to show improvement. A few days before the first match against Middlesex School six singles players were chosen. In order, they were these: Captain Scott McLeod, Peter Fitts, Peter Buckingham, Tom Cervasio, Bill Kittredge, and Rusty Fowler. This first match was as tough as was expected, and when the final game was over the Governors had lost 0-9. The match was not

as disheartening and one-sided as it may seem, however, for Middlesex was known to have one of the strongest teams that the Red Team would face all season. The boys learned a great deal from this match and gained the much needed experience of match play. Buckingham gave a particularly good performance, and the doubles play also proved encouraging.

The team's chances in the coming matches are favorable, especially in those against Belmont Hill School and Brooks School. With the fine coaching of Mr. Welch and the enthusiasm and interest of the entire squad, the team hopes to become very much stronger as the season progresses.

ACTIVITIES

The Glee Club

By HARVEY HAYDEN

The Governor Dummer Glee Club enjoyed one of its most productive years in 1958 under the superb leadership of Mr. Sager. Assisted by President John Read, Mr. Sager formed a massive mob of monotones into a polished singing group for its first concert with Winsor School on December 14. Joint renditions of two numbers from Handel's *Ode on St. Cecilia's Day* were especially enjoyed by a large audience.

On February 7 the Walnut Hill School Glee Club came to Governor Dummer for a concert. In spite of a heavy snowstorm, a capacity audience was on hand to hear the Governors in their only "home" concert of the term. The mellow tenor voice

of Joe Montgomery was enchanting as he sang *My Heart Worships*, accompanied by the club. Other favorites were *Onward Christian Soldiers*, *O Bone Jesu*, and the very popular song from *Oklahoma*, *Pore Jud*. Following the concert a dance was held in the Cobb Room which was enjoyed by everyone.

The Meistersingers were better than ever this year; at every performance the audience repeatedly asked for more. A few of the outstanding numbers which the group featured were *Hello Young Lovers*, *Standin' on the Corner*, and *We Kiss in a Shadow*, *If I Loved You*. A winning combination was found this year with Ginger

Left to right (first row): Hayden, Jansen, Donnelly, Main, Brace, Cox, Vermilya, President Read, Morse, Wolf, Wise, Sherin, Ardif, Cannon, McGuire; (second row): Day, Sylvester, Friend, Bailey, Poe, Nash, Marks, Gray, Howell, Ringquist, Clark, Withington, Gass, Hale; (third row): Bliss, Catlett, Dietz, Morse, Pouch, Hinds, Canterbury, Bostwick, Czelusniak, Schabacker, Eddy, Akin, Montgomery, Hockmeyer; (fourth row): Tucker, Huntress, Light, Hesse, Prewitt, MacLean, Williams, Fitts, McLeod, Hardenbergh, Stone, Ellis, Whiting, Lewis, Kittredge, Clark, Kirkwood.

Ardiff, Tad Akin, Erik Howell, Demi Read, Joe Montgomery, Jim Main, Bob Pouch, Charlie Eddy, and Pete Bostwick making up the group.

The most thrilling concert of the year took place on April 20 at Symphony Hall in Boston. The Glee Club joined seven other glee clubs and fifty-one members of the Boston Symphony Orchestra in the New England Preparatory School Music Festival Chorus. Boris Goldovsky conducted the three numbers, of which *Ode to the Virginian Voyage* by Randall Thompson was the number best received by the audience of 2,000. The other selections were *Ode on St. Cecilia's Day* by Handel, and *Magnificat* by Crawford.

Following the concert at Symphony Hall the club began to rehearse for its annual Commencement program. At Commencement a very impressive arrangement of *A Mighty Fortress Is Our God* was a favorite. The Glee Club thus ended a successful and exciting year.

Junior Glee Club

By JOHN HYSLOP

This year the Junior Glee Club enjoyed another successful year of singing and social activities with nearby girls' schools. Singing got under way in early October under the direction of Mr. Arthur Sager, who in previous years conducted only the Senior Glee Club. With perseverance and concentrated effort the inexperienced voices were transformed into a smooth-sounding group.

In February the boys had their first chance to expound their talent at a con-

cert held in the Cobb Room with girls from Beaver Country Day School. An appreciative audience enjoyed the superb performances of President Nathanael Greene and other members of the Quintet as they sang *Glorious Apollo*. A favorite sung by the whole club was *Old Ark's A'Moverin'.*" The audience was also impressed by the girls' exhibition. The boys enjoyed the concert, and the ensuing festivities gave them a reassuring "courage" for future performances.

Cheerleaders

15TH YEAR

The 195th Year

By FRANK McGUIRE

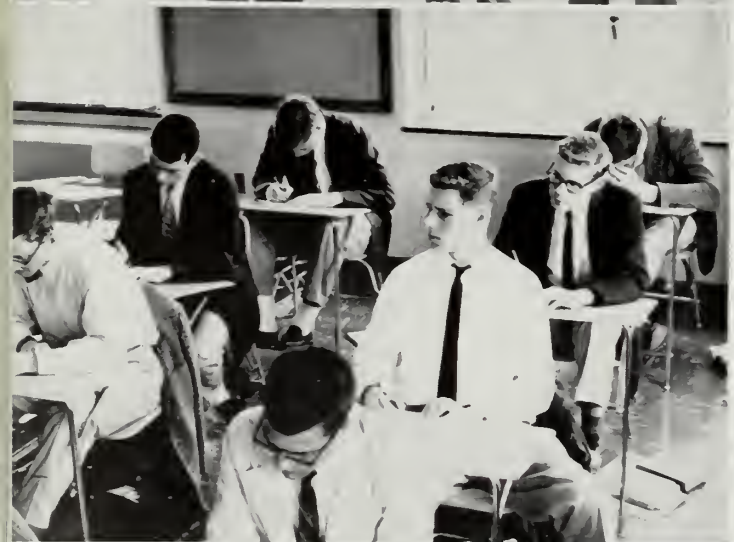

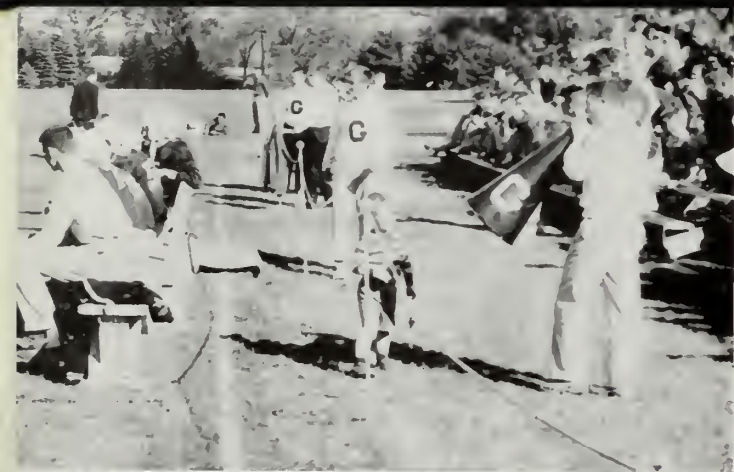

THE SUMMER came to a close, and the Class of 1958 became the Senior Class. The boys returned with several things on their minds: to play football or soccer well enough to earn places on the varsities, to study as hard as possible so that their college choices would become a reality, and to have a good time in their last year at Governor Dummer. As the seniors left home, their girls said good-bye to them; but all Evelyn said to Harv was "MOO" (or, "There goes old icy fingers.") At the first evening meeting Russ Tornrose set the spirit of the athletic year with a very moving speech on team spirit. This spirit was maintained by the Cheerleaders at the rallies, and the Hillie was glad to be strung up for the cause in Lang Gym. It soon became evident that the Cushman Bakery was better than the Treadway System in producing calories. Cuz Art proved this effectively, and Treads was a poor second on the scales. Ken Weene and Dick Morse were often forced to defend their self-propelled Jeepers Creepers.

The Fall Term came into full swing; the Glee Club started practicing for a concert with Winsor; Doc's famous seventh period rang with Wayne Hockmeyer's "But Sir!"; (Ping Pong, Boo Senior, the Bishop, Torpedo, and Salad Bowl were but a few of the Doctor's epithets.) and the flu, after hitting every other school on the Governors' athletic schedules, came to South Byfield. It was surprising that none of the Gandies even seemed to slow down as they kept the buildings and fields at their best.

The new Frost Building was dedicated on Parents' Day. It is a vital part of the campus and adds symmetry and beauty to the whole school. The classrooms are ideal, the library is terrific, and the labs are a 100 percent improvement.

WE LIKE GDA BECAUSE....

.... WE LOVE TO EAT

At Thanksgiving the boys went home for a short vacation and returned in great need of rest. By this time volleyball was in full swing. Just before vacation, Poobah had disappointed the Gobs for the umpteenth time and had failed to show up to name the pushball teams. Poob was excused because things really keep the planetary potentate busy. Anyway, Mr. Mercer carried on in his place as usual, and did a memorable job. The competition was fierce, but two teams prevailed. "Scott McLeod's Musk-melons kinda sparked the Fruit League." to quote one J. P. McLeod. In the Vegetable League Mr. Ash Eames emerged triumphant and walked away in the play-offs. Smiling Bill Kittredge, smoking without a cigarette, sparked Mr. Eames' Eggplants with his red hot spikes.

The Ghost-Who-Walks, Maxie Brace, gave up talking to live with his roommate, loquacious Peter Kalat. At Walnut Hill's Christmas Party the Gobs retained their good sportsmanship in the face of insurmountable odds, and everyone had a good time. The Glee Club was true to form on the last weekend before Christmas vacation, and the concert with Winsor was a dilly. The last week of the term was filled with thoughts of tests and the blasts to come. The Christmas dinner was sparked by Nuffy's father who failed to keep Nate's advice, "Don't tell any off-color stories and wear a conservative tie." The football and soccer awards were presented at the dinner by coaches Sperry and Navins, who were filled with praise for their teams. Nick Day received the award for most valuable player in soccer; and Russ Tornrose, the football captain, received the MVP award in football. Soccer captain Jack Williams was praised by Coach Navins for his hard play and terrific spirit. After a very enjoyable dinner, the Fall Term ended with the singing of "Silent Night." Neil Quinn, in such a hurry to get home that night, was apprehended by the police.

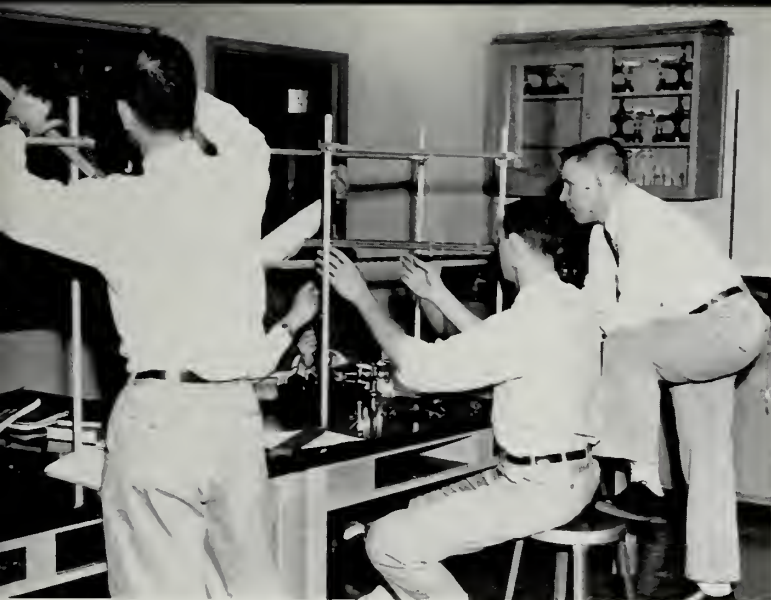

.... WE LOVE COMPETITIVE ATHLETICS....

After a wet vacation, most of the Governors sogged into the Cobb Room and the Winter Term started. The next day each team held its first practices and the speculators started predicting the outcome of the seasons. Fred Sayles and Tony Bourn were the stalwarts on the basketball team; Jim Sylvester, Bang-Bang Colt, and Nate Withington held up the hockey team, while Harvey Hayden held up the nets. Nick Day, "The Enemy Alien," spirited the track team along with Dave "The Rib" Hardenbergh. Of course Big K. Leary, thrice captain of the wrestling team, led the grapplers to the tune of "Drink, Drink, Drink."

President Demi Read kept the Glee Club's spirit high. The Meistersingers were led by playboy Joe Montgomery from Coshocton, Ohio, and Ralph Ardiffe held up the basses on "Bermuda Buggy Ride." Rick Howell and Jim Main gave their all to the group with their mellifluous voices. Jerry Marks put out his *Reviews* with an expert ruling hand, as did Billy Allen his *Archons*. Concerts with Walnut Hill and Dana Hall were appreciated reprieves from the drudgery of daily life. Wardie Miles was seen showing Porky Gray, president of the Radio Club, how to turn on a radio. Mike Hale toned up his muscles all term long with his Charles Atlas Muscle Building Set.

Sachmo Clark won the Time Prize with 103 out of 105 answers right. He was a bit disappointed when Doc told him that he would have to wait until spring for his prize. Steve Houghton was seen dropping balloons out of a Piper Cub one day. Mr. Miller often had Mr. Williams tied up with the lunchtime announcement of "Tuxedos may be picked up in the parking lot." The Gobs began to worry about what college campi they would grace next year, but Mr. Stone got everyone in. Bang-Bang lost some teeth; Jack Morse lost a girlfriend a week; Rosco Chace lost his way coming back from Winter Weekend; but Bobby Gass gained a quarter a week for making Mr. Fuller's bed.

At the end of the Winter Term, the athletic awards were presented. The silver pins were a

...WE LIKE WELL RUN CORRIDORS.

little late, but Mr. Barriskill ably handed them out. The MVP awards went to Jim Sylvester in hockey and Big K in wrestling, who won in the Interscholastics and became New England Champion in the 157 lb. class. Nick got the track MVP, and Big Wac the basketball trophy for the second consecutive year. With sports and tests over, everyone left for spring vacation in fourteen inches of snow.

After the big "Spring Blasts," the Govs returned to school en masse ready to tiger into the spring term sports and studies. Lacrosse sticks, tennis racquets, and baseball bats flowered on the campus. The lacrosse team looked promising with big Newt Lamson, Ginger, Captain Dem. Jack Williams, Cab Driver, and Mike Morse. The baseball team had Mike "Yogi" Dunsford behind the plate, Captain Harv, Monty, and the Newbury Flash, Chick Carroll. The track team had Wac and Russ as captains, and such other stars as the Rib, Nick, and Wardie. Salad Bowl Tom Grose was still getting 4/5 of the hurdles. Toto Hunt captained the golf team with sure strokes, and was helped by Paul "Dubber" Clark and John Schabacker, the terrors of the links. Scotty McLeod captained the tennis team and was helped out by the Sunshine Boys, Pete Fitts and Wild Bill Kittredge.

All of the teams looked forward to good seasons and played with the same spirit that had prevailed in the Winter and Fall Terms. Strange things happened in Physics class; Pete Smith's astounding Van de Graf generator was skillfully turned into a satellite by the Beast, Dave Cox, and his rockets impressed the boys in the general science class. Jack Morse actually drank some of the water from his solar still, and Rosco's project was a hummer. An atomic submarine and an aqualung turned up at the science exhibit.

Demi Read was elected President of the Senior Class and officiated at Commencement. Akio Takeda, the laughing boy from Japan, had quite a time and was liked by everyone. His "Awww," coupled with a wave of his arm, showed his good spirit. The Senior Council kept up its good work throughout the year under the direction of

(Continued on page 96)

MILESTONE DANCE

President Steve Houghton, who really did an excellent job.

Seen taking the day boy attendance was none other than Mike "The Vegetable" Honer. Mike's turbine was beautiful but was somewhat of a failure since it worked only on compressed air. Casual Bob Kirkwood, when not speaking of the merits of California, aided the Bull at Rotary and Kiwanis Club meetings. "California" was the politician of Doc's third period class. Time for the spring dance rolled around, and Joe headed the Committee. Pete Fitts had some trouble getting a date, but no one had more trouble than Jay Higgins. Finally Jay was pressured to go and he had a really big time. The baseball and lacrosse teams were aided by the cheers of the girls. Mr. Duggan had a delicious dinner, the band was cool, and the seniors had a good party at the Mansion House.

With the Spring Term almost over, everyone turned to thoughts of summer vacation, finals, colleges, girls, and prospective jobs. As the Senior Class filed around the Milestone, singing the Senior Song, each one of the class had his own memories and each one sang with true feeling and gratitude. Then the caps were thrown high into the air and the seniors charged to the store stockroom to hand in their gowns.

Soon the campus was quiet for another summer, another year, and another senior class; but to each of this year's seniors went a little part of Governor Dummer, his to carry with him as proudly as a badge of honor wherever he goes. True, but true. Some of the Govs had been at Governor Dummer four years, some for three, and some for two; but no matter how long a boy has been at this school, there are things which will always remain in his mind and in his heart. The last soccer game, which was against Belmont Hill and ended in a scoreless tie; the football game with Moses Brown which ended in the Governors' well earned favor; the glee club dances, even when some of the dates were not beauty queens; the classes with Doc, Rao, Murph, and Uncle Tom; acceptance by a college; struggling through the college boards; the shaving cream fights; the spring dance; and getting mail and popsicles in the store; the red; the white; the new building; winter sports; spring sports; the rallies at which the Brooksie suffered a dual death, by fire and by hanging — all this is remembered and will never be forgotten. It is an inheritance which has made us mature individuals, ready to face the world. No one of the Class of '58 will ever forget Governor Dummer, and no one will ever regret that he is a Governor.

Congratulations Seniors !

Graduation marks an end and a beginning. Yours is a sound foundation upon which to build more advanced education for a full and productive life. June 1958 marks an important milestone.

Documenting your years here at Governor Dummer is the 1958 *Milestone*. It represents a supreme effort in thought and hard work by the editorial and advertising staffs aided by the faculty adviser. You can be proud of this yearbook.

We of Newburyport Press are proud to have had a part by producing the 1958 *Milestone*.

Acknowledgments

The MILESTONE is deeply indebted to those boys who helped to produce the photographs in this yearbook: Terry Laycock, Dick Morse, John Silver, and Ralph Coffman.

There also were many who have made a great contribution to the MILESTONE, and we earnestly thank them.

Miss Elizabeth A. Page for her help in accounting.

Mr. J. Richard Williams of the Newburyport Press for his advice and his aid in putting out the yearbook.

The MILESTONE Dance Committee for their successful dance which gave a great deal to the financial part of the yearbook.

Mr. James Duggan for his help in the planning and serving of food for the dance weekend.

Our advertisers whose advertisements have made the publication of this book possible.

And especially Mr. Douglas L. Miller, who not only advised the Board expertly, but spent much of his time taking and developing pictures as well as doing a major share of the work on the MILESTONE.

*N*obody knows how many
hundreds of thousands of people will
dine tonight with TOWLE Sterling — but the
actual number would be startling. For
in the two-and-a-half centuries that beautiful
silver has been made in Newburyport, the
demand for its patterns has moved steadily
upward. Craft traditions reaching back
almost to the Pilgrims are part of the
reason for TOWLE progress, but probably
the chief reason is a certain soundness
of design — patterns that wear well
— that wear so well, in fact, that they
become at once a proud possession and
a beloved part of family life.
